

Call for Applications - Academic Staff – Chemistry Department Staff mobility call

Nicolaus Copernicus University - Torun (Poland) in the framework of the European Programme
ERASMUS+ KA1

Objective

The Erasmus+ Programme – mobility offers the possibility to spend a period of teaching or training at **Nicolaus Copernicus University** for **Academic Staff (Chemistry Department)** from the University of Sfax

The purpose of the activity is to share experiences in the field of management and it will take place through an immersion in the different units and management areas of the **Nicolaus Copernicus University** on which the participant will discuss the points of common interest.

Financing

Grant amount: **120 € per day**.

Travel grant: **275 €**

All financial details will be duly described in the **Grant Agreement** that Staff will sign before their mobility starts.

Teaching Mobility:

Based on the budget allocated to the **Nicolaus Copernicus University**, it is possible to fund maximum 7 days (included travel days) per participant.

Training mobility:

Based on the budget available, it is possible to fund maximum 7 days per participant (included travel days).

Conditions and procedures:

General conditions for admittance

Applications should be submitted to the home institution that will be responsible for selecting the participants, according to previously established criteria. All fundamental principles and mobility requirements set out in the Inter-Institutional Agreement must be respected. The selection procedure must be fair, transparent, coherent and documented and shall be made available to all parties involved in the selection process

Application Procedures:

- Copy of the Passport
- Short CV
- Motivation Letter

- Teaching Agreement (see annex I)

All documents in Arabic should be translated into English language.

To apply for this opportunity, please send your applications (**in one pdf file**) to icm@usf.tn
Kindly use the call title (**Call for Applications - Academic Staff – Chemistry Department
Staff mobility call Nicolaus Copernicus University - Torun (Poland) in the framework of the
