Before the mobility

Proposed study programme at the Receiving Institution

Planned period of the mobility: from [month/year] to [month/year]

Course catalogue at Ca' Foscari University: <http://www.unive.it/data/9639>:

BE CAREFUL AT YOUR COURSE SEARCH: the courses you choose should correspond to your study level, as you need some previous competences to attend them. Thus if you are attending a 1st cycle/undergraduate/1st level programme you should choose only 1st level courses:

- Search by "Study programme" (sorry, at the moment the definitions are in Italian);
- Pay attention to the codes: T (ex. FT1) means "Triennale", which refers to 1st cycle /undergraduate level courses, M (ex: EM50) stands for "Magistrale", which refers to 2nd cycle/master's level courses;
- You must choose courses offered in the semesters of your mobility: the 1st semester runs from September to January and it is composed of a 1st and a 2nd period, the 2nd semester runs from February to June and it is composed by a 3rd and a 4th period.
- UG, MA and PHD students will not be allowed to attend neither to PHD courses nor to courses not associated to any of the above-mentioned course codes.
- You will not be allowed to attend to two or more equivalent courses. In order to check this, it will be sufficient to click on the course webpage, then to the "Professors and degree programmes" label, scroll down to check the label "Equivalent courses for other degree programmes".

⁸ **ECTS credits (or equivalent):** in countries where the "ECTS" system is not in place, in particular for institutions located in Partner Countries not participating in the Bologna process, "ECTS" needs to be replaced in the relevant tables by the name of the equivalent system that is used, and a web link to an explanation to the system should be added.

⁹ **Level of language competence:** a description of the European Language Levels (CEFR) is available at: <https://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>
