**Jacob Herman Leonard,**  
Tanzania,  
MSc. student- Computer Science and Engineering.

It has been such a great experience for the past few months since I arrived in E-JUST. The serenity of the campus together with the state of the art facilities provide the enabling environment for effective research work. E-JUST is just the right place for all aspiring to pursue graduate studies. The sense of urgency professors instill in students, to aptly transfer knowledge to solving pressing real world problems is remarkable.
