Offre de bourses de l'Université Beijing Institute of Technology au titre de l'année universitaire 2019/2020

Le Ministère de l'Enseignement Supérieur et de la Recherche Scientifique, (la Direction Générale de la Coopération Internationale), informe que l'université chinoise de BIT offrira trois bourses de Mastère ou de Doctorat au titre de l'année universitaire 2019/2020.

Il est à noter qu'il faut suivre les instructions énoncées dans les documents suivants:

- Annonce en Anglais
- BIT Admission Book 2018 (lien : http://isc.bit.edu.cn/docs/2018-10/20181016024633755156.pdf)
- Formulaire

Les formulaires de candidature doivent être adressés à la Direction Générale de la Coopération Internationale au Ministère de l'Enseignement Supérieur et de la Recherche Scientifique, avant le 02 janvier 2018. **<u>Tout dossier parvenant à la Direction Générale de la Coopération Internationale après cette date ne sera pas pris en considération.</u>**

CSC Scholarship Proposal for International Students

From the Embassy of the Republic of Tunisia

2019-2020

Beijing Institute of Technology (BIT) is offering **3** CSC (China Scholarship Council) scholarship to students the leading universities in Tunisia to pursue Master or PhD degree program at BIT. BIT entrusts the Embassy in China to operate the scholarship

➢ Overview of the CSC scholarship

The CSC scholarship covers **the tuition fee, the accommodation, the comprehensive medical insurance and the monthly living allowance (CNY 3,000 for masters and CNY 3,500 for PhDs).** The international air fare is not covered.

The scholarship will be offered to the students during their stay at Beijing Institute of Technology for the period of **the Master programs (2 years)** and **PhD programs (4 years).**

➢ English-taught master programs

As BIT is a public university focusing on engineering programs, so if the master candidates apply for the following English-taught programs, there will be higher chances for them to be selected as the 2019 CSC scholarship holders.

※**Aeronautics & Space Science and Technology**
※**Mechanical Engineering**
※**Computer Science and Technology**
※**Control Science and Engineering**
※**Electronics Science and Technology**
※**Information and Communication Engineering**
※**Chemical Engineering and Technology**
※**Chemistry**
※**Armament Science and Technology**
※**Safety Science & Engineering**
※**Law**

Please refer to our **Admission Book 2019 (Attachment II)** for more programs and it is noted that all the programs can be taught in Chinese at all levels and conducted in English for the PhD students.

➢ **Language requirements**

With regards to **the English-taught programs** at BIT, if English is not the native language and the students are attending a school where English is not the language of instruction, the students are required to take the Test of English as a Foreign Language (TOEFL, **minimum score: 85**) or the International English Language Testing System Academic (IELTS Academic, **minimum score: 5.5**).

In terms of **the Chinese-taught programs**, the applicants are required to pass the HSK 5 exam, and the certificate of which is one of the essential application materials.

➢ **Application deadlines**

For any prospective CSC candidates, please fill in the following **Preliminary Registration Form** and send it to our E-mail address at master_phd@bit.edu.cn before **December 31, 2018**.

After receiving **the Preliminary Registration Form**, we will contact the qualified applicants in person and inform them of the detailed application procedures, which include two rounds of review and one online video interview.

We will update your prestigious university on the number of the CSC candidates and their applied programs in mid-January, and when the whole pre-admission is finished, you will be informed about who are eventually selected.

If you have any questions about the scholarship programs, please don't hesitate to contact us.

BIT Preliminary Registration Form for the CSC Scholarship
